Hi Eric -

We're going to discuss this tomorrow at Exec, and will give you a final answer just after that meeting...but right now I think it's safe to say that having the meeting in Seattle would be a good option.

Subject: December 13th Meeting

Valerie, we have a meeting scheduled for December 13th with our entire project team. We are trying to figure out a location and are considering Seattle, Portland, or somewhere in-between (e.g., Centralia). I communicated to Jim McKenna that our first preference was Seattle. However, we are trying to juggle a number of things on our end schedule wise. Can you let me know the current status of the meeting location on your end?

Thanks, Eric
